Hi John,

The CCTE team worked on this excel sheet as a group and have our latest assessment/comments/suggestion for combining the products with few update on product due dates. In this current version we are missing Dale's work as somehow the excel sheet got misaligned when Dale copied his comments but I was able to rescue the file just before misalignment as we were working on shared file. Mike conveyed that he sent his comments to you and Rusty already so this should be the same.

@Dale can you send your changes directly to John.

Let me know if you have any questions.

Thank you,

Best,

Amar
